As an Order Picker, you play an important role in the warehouse. Every day you make sure customer orders are picked correctly and prepared for delivery. Accuracy is important because customers depend on receiving the right products.

- Making sure labels and orders are correct;
- Keeping your workplace clean, safe, and organised;
- Working together with your team to meet daily targets.

The work is active, so you'll be on your feet for most of the day. If you enjoy staying busy instead of sitting behind a desk, this job is a great fit.

- Works accurately and pays attention to detail;
- Enjoys physical work;
- Can work independently as well as in a team;
